LGBTQ EQUALITY

I support ordinances/policies that ensure LGBTQ people are protected from discrimination in employment, housing, public services, and accommodations.

ACCESS TO REPRODUCTIVE HEALTH CARE

I support laws/policies that ensure access to the full range of reproductive health care including medically accurate sex education and abortion care for all individuals.

CRIMINAL JUSTICE

I support "Smart Justice" policies that place less emphasis on criminalizing conduct and a greater focus on directing resources to address the underlying problems, like substance abuse, mental health issues, and lack of stable housing.

JUVENILE CURFEW

Juvenile curfew ordinances harm youth and should be eliminated.

VOTING RIGHTS

I support policies that encourage greater voter participation, including online voter registration and polling locations on college/university campuses.

IMMIGRATION

I support local policies that do not force local law enforcement to collaborate with federal immigration enforcement (in situations where collaboration is not required by state or federal law).
